MEMORANDUM OF COMPROMISE AGREEMENT OF EMINENT DOMAIN PROCEEDINGS ENTITLED: CITY OF BILOXI, MISSISSIPPI vs. SEASHORE METHODIST ASSEMBLY, ET AL, NO. 10,713 ON THE DOCKET OF THE COUNTY COURT OF HARRISON COUNTY: AND PETITION FOR WRIT OF PROHIBITION ENTITLED: SEASHORE METHODIST ASSEMBLY, ET AL vs. CITY OF BILOXI, MISSISSIPPI, BEING NO. 11,384 ON THE DOCKET OF THE CIRCUIT COURT OF HARRISON COUNTY, MISSISSIPPI.

For brevity the plaintiff in above eminent domain suit, which is defendant in the petition for Writ of Prohibition, will be referred to as City; and the defendants in said eminent domain suit, who are petitioners for Writ of Prohibition, will be referred to as Seashore.

1.

Seashore agrees to convey by fee simple warranty deed to the City land equivalent to approximately the east ten acres of land described in the above eminent domain suit, plus the area embraced in the 30 ft. wide street at the southeast corner thereof as shown on blueprint prepared by Defraites, Richetts and Atteberry, dated September 2, 1948, the south 50 ft. of said tract to be used for public street purposes and the remainder thereof for school purposes; a description of this land is as follows:

A tract of land situated and being in the City of Biloxi, Harrison County, Mississippi, in Section 31, Township 7 South, Range 9 West, being bounded on the north by the right of way of the Louisville and Nashville Railroad Company, on the west by the property of Seashore Methodist Assembly, on the south by the property of the Seashore Methodist Assembly, and on the east by Keller Addition, containing ten (10) acres, more or less, and being more particularly described as follows: Commencing at the corner common to Sections 25 and 36, Township 7 South, Range 10 West, and to Sections 30 and 31, Township 7 South, Range 9 West; proceed thence south $0^{\circ} 12' 50''$ east 428.9 feet along the range line to its intersection with the south property line of the Louisville and Nashville Railroad Company; thence proceed north $88^{\circ} 31' 50''$ east, a distance of 3,166.7 feet, more or less, and along the south boundary of the right of way of the Louisville and Nashville Railroad Company to a point, being the northeast corner of the Bienville Addition to the City of Biloxi; proceed thence north $88^{\circ} 31' 20''$ east and along the south boundary of the right of way of the Louis-

ville and Nashville Railroad Company, a distance of 1400.30 feet, to the northwest corner of Keller Addition to the City of Biloxi, which said point is the point of beginning of the tract herein described; proceed thence from said point of beginning south $0^{\circ} 42' 40''$ east and along the western boundary of Keller Addition to the City of Biloxi, a distance of 653.0 feet to the point where the south boundary of a street known as Father Ryan Avenue crosses an extension of the western boundary of Keller Addition; proceed thence south $88^{\circ} 31' 20''$ west, a distance of 678.8 feet; proceed thence north $0^{\circ} 42' 40''$ west, a distance of 653.0 feet, more or less, to the south boundary of the right of way of the Louisville and Nashville Railroad Company; proceed thence north $88^{\circ} 31' 20''$ east and along the south boundary of the right of way of the Louisville and Nashville Railroad Company, a distance of 678.8 feet, more or less, to the point of beginning.

Seashore agrees also to convey, but without warranty, and for street purposes only, a strip of land 50 feet in width following the meanders of the south line of the street shown on said blueprint as running in a general easterly and westerly direction between blocks D, F, and H on one side and Block G on the other, and from Miller Street to the southwest corner of above described property. The deed conveying the above land to be approved by the attorneys representing the City. The City agrees that it will hard surface and install curbs and gutters on the areas of the above land which are conveyed for street purposes.

2.

The City agrees that it will not permit the parking of any vehicles south of the street referred to next above and west of the above described land.

3.

Seashore is desirous of having a sewerage main installed along the main street on above mentioned blueprint, which runs northerly and southerly about the center of Seashore's lands, and to have said main connected with the City's sewerage system. City agrees that said main will be included in its general sewerage plan now under consideration and will have same installed when and if said general plan is adopted.

4.

The City authorities give assurance to Seashore that if the above lands are conveyed in conformity with this memorandum, the public necessity does not require the acquisition of additional land from Seashore and neither the City authorities nor its school authorities intend to acquire any other lands belonging to Seashore.

5.

Simultaneously with the execution of this memorandum the above mentioned petition for Writ of Prohibition proceedings will be

dismissed by Seashore at its cost with prejudice. Upon tender of the deed of conveyance of the above land the City will dismiss with prejudice and at its cost the eminent domain proceedings now pending in the County Court of Harrison County.

6.

Seashore shall have thirty days from date hereof to tender the conveyance of the above lands and in event of failure of Seashore to make such tender of conveyance within said period, the City shall have the right to amend its above mentioned eminent domain proceedings to limit the amount of land sought to be condemned to the area above described and to proceed with said eminent domain proceedings to final judgment.

7.

City agrees to pay Seashore the sum of \$85,000.00 cash for the above lands, said payment to be made at the time of delivery of the deed. It is agreed that in the event the City at the expiration of six months from the date of this agreement should, (1) fail to obtain the grant of some \$600,000.00 now expected to be received from the Federal government or its Departments, or (2) should fail to let the contract for the construction of the school building on said lands, then in that event Seashore shall have the right to have said land re-conveyed to it upon reimbursement to the City of the said purchase price.

The rights of the parties in and to the above proceedings being in dispute, this memorandum is executed in consummation of agreement of all of the parties in interest therein by the undersigned, who are duly authorized to execute the same, on this 26th day of August, A. D. 1952.

REPORTS

BOARD OF CONFERENCE CLAIMANTS

REPORT No. 1

We, your Board of Conference Claimants, wish to Report the growing interest in the pension fund of our retired and honored members. This interest is evidenced on the part of the ministers and laymen. We have seen a gradual, but a very substantial increase in the annuity rate each conference year.

We are able, with the money available at this time, to pay an annuity of \$40 (forty dollars) this year for the regular ministers, and at the rate of \$20 per service year for accepted supply work.

We are requesting this conference to continue the present rate of assessment of 14% on the cash salaries of all pastors, associate pastors, and accepted supplies who shall, at the time of their retirement, become recipients of this fund.

That the 1% assessment of the pastors' salary to be paid by the pastors, associates, and accepted supplies shall be continued.

Our entire Board joins wholeheartedly in recommending that this conference shall set aside a Sunday wherein these honored members of our great Church shall be honored, and that the cause of the retired ministers shall be explained and emphasised. This shall be without an offering for that cause.

We are requesting that the last Sunday before Thanksgiving (November 22nd) shall be CONFERENCE CLAIMANTS SUNDAY and shall be observed in every church of our great conference.

We recommend that the Board of Directors of the Masonic Home of Alexandria, Louisiana, who employs Rev. A. A. McKnight, under the Bishop's Appointment, be allowed to pay 9% on the Superintendent's salary, plus 1% paid by Brother McKnight, and that this appointment shall be with annuity.

Sincerely submitted,

SIDNEY A. SEEGER, *Chairman*
W. D. MILTON, *Secretary*

BOARD OF CONFERENCE CLAIMANTS

REPORT No. 2

We, your Board of Conference Claimants, in keeping with the increasing demands for better security for our retired ministers, have been studying the circumstances of this great cause and are making the following recommendations.

In the light of our studies of these demands upon our conference, we are setting a goal of one million dollars for endowment. The

income from such endowment shall supplement the other revenues for this cause, and thus provide sufficient income with which to meet this growing demand.

We recommend that a campaign of education and cultivation shall be entered into throughout our conference, with the hope that this goal shall be reached at a time in the very near future.

One of our largest opportunities to the accomplishment of this goal will be through those people of our churches whom God has so richly blessed with the material things. We urge that these people cultivated be opportunities of making cash grants and provisions in their wills for the benefit of the conference claimants.

We further recommend that our conference organ, the Louisiana Methodist, shall carry a full story regarding wills and legacies, with application form inviting those who can to remember this program for the retired ministers.

Sincerely submitted,

SIDNEY A. SEEGER, *Chairman*
W. D. MILTON, *Secretary*

DISTRICT CONFERENCE RECORDS

We, your committee on District Conference Records, report four District Conference Record books submitted to our committee for inspection. The loose leaf books of the New Orleans District and the Monroe District are neatly kept and seem to be in good order. The District Conference books of the Lake Charles District and the Alexandria District are of superior quality and seem to be the closest to a permanently bound "loose leaf" book one could use. This type of record book is highly recommended.

We have the word of the District Superintendents of the Baton Rouge District, Shreveport District, and Ruston District that the secretaries of their districts are keeping neat and accurate records of their district conferences. Expressions of plans to improve their type of district record books have been expressed by several of the District Superintendents. We hope that all will do so and will bring their books to the next session of the Annual Conference.

Respectfully submitted,

BOARD OF EDUCATION**REPORT No. 1****Centenary College**

Centenary College operated last year with a slightly increased enrollment, the fall enrollment showing 722 students registered for day classes and 711 for evening courses, or a total of 1,433 regular and special registrations. It is our feeling that the low point in college enrollments has been reached. Our problem now is to prepare for the increase that lies ahead.

In the fields of academic standards, spiritual attainments, and physical equipment, the past year has been one of progress.

The Centenary faculty has received an unusual amount of regional and even national recognition this year. A survey of our full time faculty members shows that 40% have earned the Ph.D. degree. The average for the Southern Association of Colleges, of which Centenary is a member, is 25%. Under the able direction of Dean John B. Wilson the academic program of the College continues to advance. We are particularly pleased that the student body and faculty have cooperated for the formation of a plan under which the Honor System will be instituted for conducting examinations next year. This is highly gratifying.

In the field of extra-curricular activities we have had a successful year, with outstanding work being done by such organizations as the College Choir, the playhouse, the band, inter-collegiate debating teams, and in the field of inter-collegiate athletic competition.

The religious activities on our campus have assumed many forms. Approximately 700 students were enrolled in the study of some course related to Bible and religion during the past year. There have been approximately 100 students taking pre-ministerial work or work leading to some form of Christian service.

Professor William P. Fraser, Head of the Bible Department, recently made this statement: "The religious life of the college is, in my opinion, in a healthy state. In various forms of expression religion has given motivation to students to seek the higher values in college life."

The student body and faculty have had the privilege of hearing some able and distinguished speakers in our chapel programs, and our Religious Emphasis Week, under Dr. R. E. L. Bearden, was outstanding.

Both Dr. B. C. Tavior, District Superintendent, and Dr. Bentley Sloane have been of the greatest assistance to us in the realm of

religious activities, and the addition of Dr. W. F. Pledger, for some 14 years a Methodist missionary in India, has been of real value to our staff.

Our one great need in this field has been an additional person on our staff who could give time to the more detail organization of religious activities and to our counseling program. I am happy to report that, as of June 1st, we have requested Bishop Paul Martin to appoint the Reverend Webb Pomeroy to such a position. Webb Pomeroy is a Centenary graduate. He has spent some time studying in the University of Edinburgh and is expected to receive his doctor's degree soon. Mr. Pomeroy will assist with the organization of religious life and also be the field representative for the College.

As to new buildings and equipment, the high light was the breaking of ground for the T. L. James Memorial dormitory for women, on May 6. This fine building, the gift of T. L. James & Company, not only will increase the number of women students from out of Shreveport but will bring to us a quality of housing which we have not had in the past. In addition to this, the announcement of such an excellent gift already has created much comment and good will throughout this area. We are deeply grateful for this.

Dormitory facilities for men also will be enlarged and improved through a government 40-year loan in the sum of \$175,000 for a large extension to Rotary Hall. Work will begin on the Rotary Hall extension sometime within the next ten days.

I take this opportunity of expressing to the district superintendents and pastors as well as to the lay membership of the co-operating churches the appreciation of Centenary College for the success attained in the "50¢ per member" program during its first year of operation. It is estimated that this year's receipts from this program will total approximately \$26,000. Since the program did not get under way until after many churches had already formed their budgets last year, some churches were unable to come into this program or did not give their full quota. It is our hope, however, that every church this year will find it possible to put Centenary College into its budget for "50¢ per member" so that a further substantial increase in Conference support for the operating budget of the College will be attained. Increased support for this budget is essential to the welfare of the College.

With an income of \$554,000 this year we will operate at a deficit of about \$11,000. Only 67% comes from endowment, 6% from other gifts, and 4% from miscellaneous income. Our grants-in-aid and scholarship help to students has had to be a very substantial sum. The largest group receiving such aid, both in numbers and amounts received, has been the ministerial and full time Christian service

group. We wish to continue as much of this aid as possible, but we need additional help on this program.

What can the ministers and Methodist laymen throughout Louisiana do for Centenary College? They can send students, assist with scholarship aid, see that their church is on the "50¢ per member" program and remember the building and endowment program in their individual gifts and in their wills.

It gives me special satisfaction to report that by action of the Executive Committee of the Board of Trustees, Bishop Paul E. Martin was requested to appoint R. Leonard Cooke as the new vice-president of Centenary College. Bishop Martin saw fit to make this appointment, effective June 1. This appointment will bring to this position a man of administrative ability and integrity, well known and highly respected both in Shreveport and throughout the Louisiana Conference.

The Board of Trustees, meeting on May 22, nominated the following to the Board of Trustees and respectfully request their election by the Conference:

1. Members of the Board with Terms Expiring in 1956:

J. D. Caruthers
Mrs. D. P. Hamilton
J. C. Hamilton
Guy Hicks
Mrs. C. I. Jones
Carl H. McHenry

R. T. Moore
Virgil Morris
J. Pat Beaird
Mrs A. J. Peavy
A. L. Wedgeworth
George D. Wray

(Of the above group, J. Pat Beaird appears as a new nominee.)

2. Members of the Board with Terms Expiring in 1954:

Dr. Bentley Sloane

The Rev. Carl F. Lueg

(Both of these are new nominees.)

When I came to Centenary College eight years ago I made the statement that I felt few church related colleges in the United States had a better opportunity than Centenary for development. My conviction on this point is stronger than ever. The College is now in a far better position to go forward than it has ever been in the past. But our progress depends not upon the faith, vision, courage and enthusiasm of the few but of the many Methodists within this state. The vitality of higher education under Christian influence should be a concern of each one of us. We can express that concern by enthusiastic support of the College program.

JOE J. MICKLE, President

BOARD OF EDUCATION**REPORT No. 2****Annual Staff Report**

The staff of the Conference Board of Education endeavors to serve the 444 churches and the 113,000 Methodists in the Louisiana Conference.

There are 412 Church Schools, 66,300 enrolled, and 5,571 officers and teachers. Church School enrollment has increased to 59 per cent of the total church membership, but we are still short of our goal of 75 per cent.

Leadership Education

Leadership education, our major program, is carried forward through leadership schools, institutes, conferences, and materials sent out from the Conference Office. The following statistics indicate the extensive nature of this program:

Leadership schools:

46 held; 121 courses offered; 3,203 pupils enrolled.

Jurisdictional schools at Mt. Sequoyah:

11 attended Leadership School; 19 attended Youth Workshop; 24 attended Youth Conference.

Services from the Conference Office include packets to new workers, special mailings, the monthly **CHRISTIAN EDUCATION BULLETIN**, and personal correspondence to local churches.

Our visual aids library has been enlarged to include 38 film strips and recordings, 5 films on alcohol, the full length film, "Cross-roads", and one Leadership Education Kit of 10 special film strips and recordings. Mailings of audio-visual materials from the Conference Office have increased rapidly as more churches are developing a visual education program. Rev. A. W. Townsend, our Conference Director of Audio-Visual Education, gives help and guidance in this program.

Because of the rapid increase of building among the churches of the Louisiana Conference, the Executive Secretary is giving help and guidance to many churches in planning space and room arrangement for the educational program.

In the early fall the Conference Staff assisted the National Council of Churches in promoting the Revised Standard Version of the Bible through community celebrations and Church School Day.

In November a planning conference was called to meet at Centenary College, at which time Bishop Paul Martin outlined the var-

ious goals for the quadrennium. Following this, the age group councils met and set up their schedules.

The Christian Vocations Conference was held at Centenary College in January with 50 high school seniors, each considering full-time Christian service. The Baton Rouge District held a successful Career Clinic in April.

The Conference Recreation Workshop was held in December, with 83 in attendance. Five adult leaders attended the Jurisdictional Recreation Workshop in April.

The Pastors' School (in cooperation with the W.S.C.S. School of Missions) is one of our largest Conference projects. In August, on the campus of Centenary College, this school enrolled 119 pastors and the school of Missions enrolled 249. Dean Ed Haug has brought excellent leadership to this enterprise. For the new quadrennium, Rev. Earl Emmerich will be the dean.

The Conference Staff cooperated with the Town and Country Commission in promoting a Town and Country Conference at Houma, in August.

The annual Church School Superintendents' Conference, held in September, at Camp Brewer, is growing. The attendance last year was 70.

Eighteen persons attended the Choir School at Centenary College in June, which was promoted by the Board of Education with Mr. A. C. Voran in charge.

Children's Work

Mrs. C. E. Mahaffey, of Beaumont, Texas, assisted in our program of Children's Work during the summer, and Miss Elizabeth Workman, of Conway, Arkansas, joined our staff in the fall.

Three Children's Workers' Conferences were held in August with a total attendance of 275.

In the winter and spring, Miss Workman directed the training program for Vacation Church School workers. Following team training in each district, 24 sub-district institutes were held. Churches that did not participate in these institutes are urged to contact their District Director for help.

Miss Elizabeth Workman has been secured as part-time Conference Director of Children's Work and will give guidance to the entire program of Children's Work. Our District Directors of Children's Work are rendering good service in the Conference program.

Youth Work

The 1952 General Conference set in motion a Methodist Youth program, designed to strengthen the faith of youth, bring larger numbers of them into the church and Church School, and to improve the program of the M.Y.F. Our Conference is cooperating in this movement.

Miss Bettie Rea Fox has provided strong leadership in this program, working with the Youth Council and District Directors of Youth Work. The Youth Assembly, in July, reached 131 young people from 42 churches. A total of 43 young people attended the Youth Conference and the Youth Workshop at Mt. Sequoyah.

A Methodist Youth Caravan visited six churches in Louisiana during the summer. In the fall, many subdistrict workshops were held, emphasizing the local church program.

Courses for youth workers were offered in 29 leadership schools.

The Area Council designated April, 1953, as Youth Month and reports from all the districts indicate that most local churches had either a youth revival or a special week of training activities.

The Youth Council cooperated with the Board of Temperance in sponsoring the annual Alcohol Essay Contest.

The annual M.Y.F. Conference, in May, brought together about 800 young people at Alexandria, where Bishop Paul Martin addressed the group and the Centenary Choir sang. The youth emphasis themes were presented and Conference youth officers were elected.

At present there are 21 active M.Y.F. subdistricts, directed by counselors and District Directors of Youth Work.

The Board of Education will miss greatly the services of Miss Bettie Rea Fox, who has resigned. Miss Fox has made a lasting contribution to the life of Methodist Youth in the Louisiana Conference and to the adult leadership in our churches. Her work on the Conference staff has been of the highest quality.

Adult Work

Miss Elizabeth Thompson has given Conference leadership in our adult program. Two sessions of the planning council have been held, and much attention has been given to the Older Adult Camping program. Two Older Adult Camps were conducted last summer, and four are scheduled for June.

Four District Institutes on Adult Work were held and 500 teachers and presidents were reached.

The Young Adult Assembly, in August, enrolled 90, and elected the Conference Council which promotes the work of Young Adults in the Conference. Some districts have organized Young Adult Fellowships.

Student Work

Miss Lillian Hay, Conference Director of Student Work, has given strong leadership to our Methodist Student Movement on nine college campuses in Louisiana, where 3,114 Methodist students are currently enrolled, including 303 in Centenary Colleg.

Regular meetings of the Student Council have been held.

96 attended the Student Retreat in August.

170 attended the State Conference in March.

25 attended the Regional Student Conference in June.

Methodist students raised \$2,035 for missions and service projects.

The Board of Education contributed \$5,776. 00 to this work.

At present, there are six full-time Wesley Foundation Directors and two part-time Directors.

The Tulane-Newcomb Wesley Foundation has purchased a two-story building near the campuses. This building has been remodeled and furnished, and is one of the most adequate in the State. The Louisiana Tech unit is seeking funds for a new building.

The importance of Methodist Student Work is fully recognized by the Louisiana Conference. For the Conference Year 1953-'54, the Board of Education budget will allow \$16,436 for Student Work.

A student Work Camp for special Home Mission training was held at Houma and Dulac four weeks in June-July. Seven college students enrolled in this work.

Camping

Our camping program continues to grow in numbers, material equipment, and in interest. Caney Lake has completed a new lodge, costing approximately \$20,000.00, and has purchased steel chairs, benches, and sound equipment. Camp Brewer has erected a new recreation and assembly tabernacle near the dining hall.

The pre-camp training for all camp staff members was carried forward by Mrs. Edgar Cayard, our Conference Director of Camping, assisted by the Executive Secretary and Miss Workman.

The extensive nature of our camping program is indicated by the following statistics:

Summer Projects	Attendance
9 Junior Camps	736
9 Intermediate Camps	785

7 Senior Camps	390
2 Older Adult Camps	80
1 Conference Youth Assembly	131

BOARD OF EVANGELISM

Youth evangelism is the first emphasis of our new Conference year. Through the cooperation of the Youth Council, Board of Education and this Board, has come preparation for our first CHRISTIAN WITNESS MISSION, which will be held in Shreveport, June 5 - 12. This is a week's program of survey work, visitation evangelism, and spiritual fellowship, in which six youths from each district and eight from the Methodist Student Movement will participate. These leaders in turn, will organize Weekend Christian Witness Missions in each District to be promoted during the Conference year.

We wish to stress the attendance of the World Methodist Convocation of Evangelism, June 26 - 28. Every pastor and chairman of the Commission of Membership and Evangelism is a delegate. \$100 is to be furnished on the expenses of each District Secretary for the Conference year, 1953-'54, and \$100 is to be given to each District Superintendent for the promotion of this Convocation in his district.

It is urged that every charge organize a Commission of Membership and Evangelism; that each District Secretary carry through the program of promotion as suggested by the General Board. Every charge will receive a Certificate of Organization when this has been accomplished. Splendid plans are in the hands of each District Secretary to be put in effect. We challenge the District Superintendents and Secretaries of Evangelism to make theirs a (100% district). We further suggest that the Chairman of the Commission take advantage of his free copy of "Shepherd's Magazine" and that each member of the Commission subscribe (the entire Commission can receive monthly copies for an over-all price of \$12).

Out of the meeting of the Program Committee of the Jurisdictional Council on May 5, the Jurisdiction Board of Evangelism and the Jurisdictional Board of Education and the College of Bishops made definite recommendations for a Jurisdictional Wide Program of Church Attendance and Youth Emphasis. This is the Church Attendance Crusade with the theme of "Give God A Chance Now!" We heartily recommend this plan to you. It will be carried on from January 1 through Easter — April 18. We are attaching this report, a resolution passed by the Council of Bishops on this church attendance Crusade.

We also recommend that the Conference have a Spiritual Life Mission with every District participating; that there be an interchange of ministers among the district for this program. Some plans are already under way. New Orleans and Baton Rouge have already planned their program. Lake Charles and Shreveport are making plans. We suggest that the Monroe-Alexandria-Ruston Districts combine for a Mission. The Spiritual Life Commission of the General Board will cooperate with us in this way.

In the fourth Quarterly Conference, we now set our goal for new members on Profession of Faith. We challenge every charge and its Commission to let this goal be a glorious passion for a year, working hard to fulfill it.

We wish to commend the District Superintendents, the District Board of Missions and Church Extension and the Board of Lay Activities for their splendid work in the erection of new buildings and the location for new ones. We suggest that a further study be made in the form of surveys, studying the population shifts, the public schools and new location of industry for the possibility of new churches. We encourage sponsorship of new churches by our established churches.

And naturally we encourage Revivals for the summer; visitation program carried out on a monthly basis with a special week's program during the Conference year. We further encourage the Commission of Membership and Evangelism to make a thorough study of its duties beyond the field of evangelism and strive to make this Commission an active and progressive affair.

With the great success of our church in Visitation Evangelism; with such great promotions as the Spiritual Life Mission in Washington; the celebration of Addersgate Experience and Pentecost, and the forthcoming World Methodist Convocation of Evangelism. We see a church on fire for Jesus Christ. We pray to our Heavenly Father that these flames shall reach high in the years of 1953 and 1954. Methodism was founded on a "Heart-Warming Experience" and we challenge you to hold this high so that it will become a great reality in the lives of our entire ministry and our laity.

We request the re-election or appointment of Rev. R. M. Bentley as Conference Secretary of Evangelism.

Rev. J. M. Alford has requested that he be recognized as a certified Conference evangelist to hold revivals. We commend him to you.

Respectfully submitted,

W. D. BODDIE, Chairman

C. W. QUAID, Secretary

BOARD OF EVANGELISM**Church Attendance Crusade**

(Copy of Resolution passed by Council of Bishops, May, 1953)

A large percentage of the members of The Methodist Church do not regularly attend the Sunday services of their church. Many attend infrequently, or not at all. It is evident that a new birth of spiritual life for the entire Church depends in part upon a devotion to regular and systematic attendance by a large percentage of those who are counted as Methodists.

With a consciousness of the obligation of the Church to that large number of children, youth, and adults who do not attend regularly, the Council of Bishops urges all pastors and churches to unite in a Church Attendance Crusade beginning January 1, 1954, and ending on Easter Sunday, April 18.

It is our earnest conviction that a Church Attendance Crusade, if undertaken at this period, will:

1. Strengthen the spiritual life of a countless number of members of the Church;
2. Strengthen many thousands of church members to begin the regular habit of church attendance;
3. Enlist a vast number of unchurched people as prospects for commitment to Christ and His Church;
4. Undergird the Stewardship Advance by encouraging church members for the church and the church school;
5. Give encouragement to the endeavor to reach youth in large numbers for the church and the church school.

We do not suggest a formal program. We leave to each local church the planning for the Church Attendance Crusade, urging every congregation to utilize visitation, promotional materials, special services, etc., as suggested by the General Board of Evangelism, and as may seem wise to meet the local needs. But to all the Church we recommend a "New Year to Easter Church Attendance Crusade in 1954".

BOARD OF HOSPITALS AND HOMES**REPORT No. 1****The Methodist Home Hospital**

The Methodist Home Hospital has enjoyed a very successful year. Dr. T. B. Thrower and his staff are to be highly commended

for the fine way in which they have operated the hospital without going into the red. All bills have been paid as they were due.

On the spiritual side of the ledger is to be found the fine Christian influence wielded over the lives of these young unwed mothers. The results have been almost unbelievable.

Your board recommends:

1. That the Conference apportionments be the same as last year.
2. A free-will offering for maintenance on suggested quota same as last year. Suggested quota to be an amount equal to 4% of 1952-'53 pastors' salary, to be raised on Methodist Home Hospital Sunday, December 20, 1953, or some other day as near to it as possible. Or included in the budget of the local church.
3. That the Building fund program be continued as planned until the new section of The Methodist Home Hospital is free of any indebtedness.
 - (1) We recommend that the following be confirmed by the Conference as Directors of The Methodist Home Hospital Term ending at the session of the Louisiana Annual Conference, 1956:

J. Henry Bowden, Sr.

N. H. Melbert

Karl B. Tooke

H. Vance Greenslit

Your Board of Hospitals and Homes has adopted the same policy for the new quadrennium that has been in effect for the past five years, governing this use of Golden Cross Funds for the support of Hospital Chaplains in the several districts of the Conference. This policy is in keeping with legislation, continued by the General Conference of 1952, effecting the administration of said fund. Provided further that the Chaplains working in the hospitals of the several districts make a complete report to the Board of Hospitals and Homes by the time of the meeting of the Annual Conference. The district superintendents are requested to see this is done.

The District Golden Cross Treasurers are recognized as agents of the Conference Board of Hospitals and Homes, and are responsible to said Board as well as to the District Superintendents of the several districts in which they serve.

They shall make annual reports to the District Superintendents and to the Conference Board at the same time of the meeting of the Annual Conference, as to amounts and disposition of all funds for the Chaplain's support handled by them.

Each District Golden Cross Treasurer shall remit to the Treasurer of the Conference Board the sum of \$50.00 per annum for the use of the Board in meeting responsibilities with which it is charged.

(2) It is the dream of this Board that, in the near future, we shall have a home for the aged. We feel that such a project is imperative as the average life span is continuously lengthening.

BOARD OF HOSPITALS AND HOMES

REPORT No. 2

The Methodist Orphanage

Your Board of Hospitals and Homes had before it the Report of the "Board of Directors" of the Louisiana Methodist Orphanage submitted by the Board Chairman, Mr. Floyd B. James.

Also the report of the Superintendent of the Louisiana Methodist Orphanage, Rev. C. B. White, together with a copy of the Auditor's report.

These reports are most gratifying, and the Board of Managers and the Superintendent are to be commended for the fine work accomplished.

There were a total of 146 children in the home this year. 41 new children were admitted into the Home and 33 were permitted to leave. We have one in college; 17 in Ruston High School; 37 in the Ruston Junior High; 28 in the Hillcrest school and 15 in the Home school through the second grade. We have 12 pre-school age children.

The regular Homecoming Day will be June 14. This occasion is becoming quite an attraction to those who were reared in the Home.

Quoting from the Board Chairman Report—

"The building program aimed at replacing the old main dormitory was held up during the past year, while the orphanage Building Committee studied the matter further in accordance with suggestions of the General Board of Hospitals and Homes. The landscape firm of Hare and Hare, Kansas City, Missouri, was also employed to help in locating the new buildings. The study of our campus by this landscape firm has been completed, and the Board of Directors has authorized construction of two one-story dormitories, as quickly as plans can be completed. The Orphanage has been the beneficiary in several wills recently, which bequests have brought in enough money so that these two new buildings can be constructed without debt. As soon as funds are available, we expect to construct a new two-story dormitory in approximately the same location where the main building now stands. We hope that these funds will soon be available from wills which have not yet been legally settled.

There has been considerable interest in the Conference for a place where homes for superannuated Methodist preachers could be built and in response to this appeal the Orphanage Board of Directors adopted a resolution, setting aside a suitable tract of ground behind the present campus for use in such a project, if and when the Louisiana Annual Conference feels that administration of such a unit should be by a separate group.

Mr. B. H. Rainwater of Ruston, a member of the Board of Directors for many years, has resigned and his resignation regretfully accepted. Mr. Rainwater has rendered an outstanding contribution to the work of the Board, having been active on several committees and Chairman of the Building Committee. The Board has not yet taken action to nominate a local person to take his place.

Your Board submits the following recommendations—

1. The election to the Board of Directors of the Louisiana Methodist Orphanage for a three-year term ending June 1, 1956: J. H. Mays, Ruston; Floyd B. James, Ruston; B. C. Taylor, Shreveport; Tom Connell, Minden.

2. The reappointment of C. B. White as Superintendent, and R. W. Vaughan as Superintendent-Emeritus.

3. Continued observance of the regular Orphanage days, Easter Sunday in the Spring and Harvest Day in the Fall.

Respectfully submitted,

E. P. DRAKE, Chairman

C. W. QUAID, Secretary

COMMITTEE ON INSURANCE

REPORT No. 2

During the past year the Traveler's Insurance Company has co-operated in every way to insure the future of our insurance program, however, your committee strongly urges a wider participation on the part of both ministers and churches. We recommend that every lay delegate present, on returning to his local church, the plan of our conference insurance program to the Official Board, if it is not at present participating in this insurance plan. Where the local church fails to participate it works a hardship on the minister and his family if in his former church he was thus protected. Your committee further recommends that the local church pay the entire premium when due (July 15) deducting the minister's portion from his salary each month thereafter. Such a procedure would enable the Conference Treasurer to pay the annual premiums on time. It would also relieve the minister from the strain of an immediate payment of his entire premium and would enable the insurance company to mail out the policies on schedule. The policy of "a package proposition" must be continued in order to insure the future and stability of our insurance program. That is, your committee recommends that all who are enrolled participate in both the life and hospitalization plans. When your dependency status changes, or your salary schedule changes from one classification to another, report these changes to the Conference Treasurer in order that you may be properly insured and classified. No evidence of insurability will be required in order to obtain the coverage now offered, if enrollment cards are signed during the present solicitation.

Sixty-five percent of the members of the Conference are now enrolled. Due to this low percentage and the adverse experience on hospitalization and surgical claims, there will of necessity, be a slight change in the schedule of benefits for the Conference year 1953-'54. Last year the claims on hospitalization ran over 125% of the premium, or a deficit of \$7,500. For the coming Conference year there will be a \$25.00 deductible clause which will apply only to the miscellaneous charges such as drugs, medicine, operating room, X-ray, or anesthesia. This deductible item does not apply to room

charges or surgical fees. It simply means the minister will pay the first \$25.00 on the miscellaneous charge.

If 85 % of the members of the Conference could be enrolled now for the year ahead, we have every assurance from the insurance carrier that this deductible clause would be removed next year.

The benefits other than this slight change will remain the same; \$6.00 for room, up to \$160.00 for surgery, \$150.00 for miscellaneous charges (minus \$25.00).

Following is the schedule of premiums for the several classifications of our Conference for both the life and hospitalization plans:

Life Insurance—

Policy For	Paid By Minister	Paid By Church	Total
\$1,000.00	\$ 8.20	\$ 8.20	\$16.40
2,000.00	16.40	16.40	32.80
3,000.00	24.63	24.63	49.26

Hospitalization—

Minister alone	\$ 9.83	\$ 9.83	\$16.40
Minister & Wife	32.23	32.23	64.46
Minister & Childr'n	46.00	46.00	92.00

The Conference Treasurer will send out a copy of this schedule to the ministers following the adjournment of the present Conference session. The committee recommends that each District Superintendent assist in this program by urging both ministers and churches to participate in our Conference Insurance Program who are not now presently enrolled.

REPORT OF LAY ACTIVITIES

Your Board of Lay Activities makes the following report with the realization that it cannot cover entirely the great work of the laymen of this great Conference.

Organization of Methodist Men and Fishermen Club throughout the Conference has shown steady growth this year. We hope to reach our quota of organizing Methodist Men groups this coming year, our quota for this quadrennium is 104 chartered Methodist groups. We have many fine groups not chartered, that are doing a splendid work, we sincerely hope more of these fine groups will charter soon.

We have been greatly encouraged with the reports of increased activity on the part of laymen in the Visitation Evangelism pro-

gram of our great church. We urge more of our laymen to take a more active part in this endeavor.

Laymen's Day was observed October 19th, a new date set to co-operate with Department of United Church Men National Council of the Churches of Christ in the U. S. A. Many of our pulpits were filled with laymen over the Conference and some splendid results were obtained. We believe that this day can be a valuable agency of the church for the strengthening the spiritual leadership of our laymen. We need a new spirit to arise on the part of laymen. We want more laymen of our Conference to be informal missionaries at work for God.

The official organ of the Board of Lay Activities is "The Methodist Layman". We wish all of our laymen would subscribe and read this fine monthly magazine. We urge laymen to assist in the circulation of other Methodist periodicals, especially "The Louisiana Methodist". We feel no Christian home should be without these magazines.

The "Thousand Club" program has been presented in each district in our Conference and with much enthusiasm. Our goal to enlist one thousand laymen in our Conference to help build new churches is well on its way to be reached. We hope to have this completed the early part of the next Conference year. We find laymen are extremely interested in Missions.

The laymen of our Conference believe in our church. We feel the Christian faith is the most tremendous experience a man can have. There is nothing known to the human mind as great and as important as Faith In Christ. The church is the most glorious institution in the world.

BOARD OF MISSIONS

REPORT No. 2

The Louisiana Annual Conference Board of Missions submits the following report:

We rejoice that the Conference has accepted in full the increased apportionment for World Service, and we wish to commend the District Superintendents, pastors and laymen for this achievement. We urge increased support of our missionary program in the form of "Continuing Advance Specials" and "Week of Dedication".

The organization of the Thousand Club for aiding new churches in the Conference is a challenge to every local church, and we urge that this matter be presented in every church. We request the District Superintendents to press the claims of the Club in the Quarterly Conferences.

Your Board is grateful that the percent from the conference benevolences enables us to meet so many of the requests for assistance both on salaries and on buildings. We regret that our funds are not sufficient to grant all the requests. It is imperative that we continue our support of the needy rural church. But the shifting of population due to the rapid industrialization of our state makes it necessary that we provide new churches to meet this need. To assist in meeting the needs in both these fields, we request that there be a functioning Board of Missions in each district.

We commend the two Conference Secretaries we have had during the year, A. A. McKnight and D. L. McGuire, for their work in promoting the cause of missions. We request that D. L. McGuire be appointed Conference Secretary for the ensuing year.

We request that all applications for aid to be considered during the session of the Annual Conference be sent in at least two weeks prior to the meeting of the Conference.

We heartily commend individual churches and districts for

their initiative and generosity in organizing mission churches within their areas.

We recommend that churches and districts continue to organize mission Sunday Schools and churches by giving of money and leadership.

The Treasurer's report is attached hereto, and is submitted without reading, if there is no objection.

Respectfully submitted,

LUMAN DOUGLAS, Chairman
E. J. BARKSDALE, Secretary

REPORT OF PUBLISHING COMMITTEE

1. We heartily commend the work of Dr. E. T. Wayland and Rev. Ewing T. Wayland in editing for Louisiana Methodism, a conference publication of which all are justly proud.

2. We are pleased to report an increase in subscriptions of approximately 1200 over last year, bringing the total list of subscribers in Louisiana to about 9800.

3. We recommend that the campaign goal for 1954 be 35,000 for the combined Arkansas Methodist-Louisiana Methodist with a quota for each pastoral charge of one subscription for each nine members.

4. We recommend that the Conference adopt the same general plan for the circulation campaign as used last year, and that the dates of the campaign be January 10-17, 1954.

5. We also recommend that the individual subscription price be continued at \$2.00, but that a subscription price of \$1.50 be authorized where the Official Board of a church enters into a contract, agreement, or arrangement to send the paper into, as a minimum, the homes of every contributing family of the church; and further, that the editors be authorized to enter into contract, agreement, or arrangement with the Official Board of a church, or responsible parties of a district or sub-district, for local publicity on the back pages of the publication.

6. A copy of the financial statement of The ARKANSAS METHODIST-LOUISIANA METHODIST is attached for filing without reading.

REPORT OF COMMITTEE ON RESOLUTIONS

To the Official Board, the Woman's Society of Christian Service, and the membership of the Broadmoor Methodist Church, and their several efficient and tireless committees, we express our deep and abiding gratitude for their gracious and unending hospitality.

To our host pastor, the Rev. R. Leonard Cooke, who so graciously anticipated our every need, and to his helpful and hard working members of the church staff, we express our genuine appreciation.

To the pages and ushers, the stenographers, to those who re-

freshed us by serving coffee, and to all who have so faithfully labored for our comfort, we acknowledge a lasting obligation.

For the many thoughtful services and courtesies by Dr. B. C. Taylor and the other ministers of Shreveport we would voice our sincere thanks.

For the inspiring and challenging messages of Bishop Donald H. Tippet, Dr. Henry Bullock, Mr. Robert G. Mayfield, and Dr. W. F. Pledger we are indeed grateful. We return to our work with a renewed sense of dedication because of their devotion to their tasks and the contagion of their enthusiasm.

For the leadership in worship contributed by the choirs of the Broadmoor Church, Centenary College, and First Methodist Church we are deeply grateful.

And in this humble expression of our appreciation we would remember Dr. Joe J. Mickle and Centenary College for what they have done in making our stay more pleasant.

We would not make this expression of our appreciation forgetful of the splendid coverage which the press has given the sessions.

And to Mayor Clyde E. Fant and the City of Shreveport we hereby express our genuine appreciation for their gracious hospitality and many thoughtful courtesies.

We would take this opportunity of expressing our genuine appreciation of our presiding Officer, Bishop Paul E. Martin. His messages, which always come from the warm heart of one devoted to his Lord, and the gracious manner in which he presides over our business sessions, his patience and thoroughness in dealing with each issue, his fairness and good judgment, and his genuine friendliness keep us always indebted to him. Since we can never think of him apart from Mrs. Martin and her gracious ways, we would express our appreciation of her and her presence here this week.

For all others who have helped to make this week a truly inspiring one, by those necessary but often behind the scenes services, we are not forgetful but deeply grateful.

BOARD OF SOCIAL AND ECONOMIC RELATIONS

The Methodist Church has had a unique history in the interpretation of the gospel. The spiritual and the material welfare of humanity has been its chief passion, and it is in the forefront of every issue that relates to the welfare of mankind. To implement its desires and give expression to the actions of the General Conference that body established in 1952 a Board of Social and Economic Relations.

In keeping with that purpose, we, your Conference Board of Social and Economic Relations respectfully submit the following recommendations:

1. We urge all ministers to carry out Par. 2020, Article 20 of the Discipline which recommends that the Social Creed be read once a year to their congregation.

2. We urge every church to set up a local committee on Social and Economic Relations as provided in the Discipline, Par. 145, Section 8.

3. We deplore the present strike situation existing in the Elizabeth community. We plead with all concerned to make every effort

to bring about an immediate satisfactory solution, and we offer our counsel and conciliatory offices to bring a peaceful and equitable settlement of this critical and tragic situation. We recommend that a telegram be sent to the Governor by the Secretary of the Conference expressing our concern and our offer of mediation.

4. The Council of Bishops of the Methodist Church in its annual meeting in Omaha, Nebraska, on April 30, adopted a statement which because of its bearing on Christianity vs. Communism, criticism of church leaders, and its call for revision of methods of congressional investigations, we adopt as the sentiment of this Conference. The statement follows:

“The Christian Church in this critical era stands out as a conspicuous champion of human rights and dignities.

“Its moral idealism and spiritual insights constitute the most formidable of all opposition to atheistic communism and to any other movement that threatens to enslave the human spirit.

“Every attempt to undermine confidence in the Church and its responsible leadership does injury to the cause of freedom and gives comfort to the enemy

“We are dismayed and genuinely concerned that in a period when its witness is so sorely needed the Church has been persistently and falsely accused in many quarters and her leadership thereby jeopardized.

“In recent weeks, one of our esteemed colleagues has been subjected to accusations that were untrue by methods that were manifestly unjust. Bishop Oxnam needs no defense at our hands. These recent accusations and insinuations have been answered in detail by him through the press and over the radio and television, and his statements, clearly and forthrightly made, are convincing to all unbiased and fairminded men.

“This incident is indicative of a trend in our American life that threatens the security of our institutions and causes us to fear for the future of our long established liberties. While we are aware that there are elements in our national life that loudly call for investigation, it is our judgment that in our zeal to uncover subversive elements, the innocent have sometimes been made to suffer and the liberties which we seek to preserve have been imperiled.

“We have no word of defense for an individual who, in the present crisis, insists on concealing his Communist affiliations or foreign alliances. We heartily commend efforts being made by legally constituted authority to apprehend the disloyal and bring them to account, but we express our fervent hope that the agencies thus employed will so revise their procedures that any person will

have full opportunity to refute all accusations in the face of his accusers; and it is our conviction that no official should abuse the privilege of Congressional immunity to attack an individual, and that unverified material in an agency's files should not be released to the public as though it were proven fact. These guarantees are the least that fair play and the inherent rights of the individual require."

BOARD OF TEMPERANCE

Report No. 1

This year our Board is proud to report the following accomplishments, and to urge all who are interested in Temperance to heartily support your Board in our plans during the coming year.

On Oct. 28, at Alexandria, Mr. Aubrey Speers from the General Board led the Board and District Secretaries in a planning session in which we outlined our work for the year.

In January a seminar on Temperance was held in each of the seven districts with good attendance and interest by the district superintendents, pastors and laymen. The cause of Temperance in our Conference was greatly boosted by these meetings.

We urged each pastor in the Conference to preach a sermon on the evils of drink and the advantage of total abstinence, and to present the pledge cards inviting all who would to sign them. Of the 258 questionnaires sent out only 110 were signed and returned stating that they had observed Commitment Day with 4416 people signing the pledge cards, 99 to organize a committee on Temperance in their church, and 88 to promote the youth essay-speech contest. We are grateful for those who took time to return the 110 cards and hope we will have better cooperation next year.

We recommend that each pastor inscribe the names of those

who sign the pledge cards on the beautiful Commitment Scroll sent to each pastor from the General Board and hang it in a prominent place as a permanent record for others to see thru the years. The Shreveport District led the Conference with 1120 pledge cards signed, and Mangum Memorial, A. W. Townsend, pastor, led the whole Conference with 364 cards signed.

The Youth Essay-Speech contest was held in 149 churches with approximately 400 youth participating, and at the finals 5 boys and two girls competed, three boys winning first, second and third prizes and a girl honorable mention. We urge every pastor in each local church to promote this youth work with vigor and enthusiasm, for it is by far the best way to develop youth leadership in this field for the future. We will send one of the prize winning boys to our Methodist Youth School of Alcohol Studies at Wesleyan University, Bloomington, Ill. this June with his expenses all paid.

We will also send two of our Board members to the Adult School of Alcohol Studies at Cornell College.

We have bought two new 16mm. films on alcohol education, entitled "The Beneficent Reprobate" and "The Pay-Off" with three others are in the care of our Board of Education for free distribution. We urge each pastor to show these films to you congregations, especially the young people in the public schools.

Our General Board of Temperance is sponsoring a Citizenship Convocation in Washington on Oct. 14 to 16 to which all Board Chairmen and District Secretaries are expected to attend with all expenses paid. We urge them all to plan to attend and bring back to our Conference the inspiration they receive for a greater effort for Temperance.

We urge the organization and immediate functioning of a Temperance Committee in each District led by the district secretaries and supported by the district superintendents. Also a Temperance Committee in each local church sponsored by each pastor. The 1952 Discipline says the local committee "shall promote a vigorous program of temperance education in the local church, with special emphasis on the appeal that individuals pledge themselves to total abstinence from all alcoholic beverages." Without the hearty cooperation of the local church committee on temperance, the efforts of this conference board will be of little practical value to our great church, therefore we urge each district superintendent and each pastor to get behind these committees and see that they function.

The subject for the youth essay-speech contest for next year will be: **"Gambling, and Its Effect Upon the Youth of Today."** The dates for the contest: local church, Feb. 28 or Mar. 7; district Mar. 8-20, finals Mar. 27, 1954.

We highly recommend the fine work and cooperation with our Board of Dr. W. Earl Hotalen of the Louisiana Moral and Civic Foundation, and we urge each church to contribute 25 cents per active member annually in twelve monthly instalments, if possible.

We ask the Conference to continue Dr. Hotalen as director of this organization which has functioned very effectively over the state in youth education and local option elections.

We offer the nomination of D. F. Anders as district secretary in the Ruston District in lieu of H. A. Gibbs who resigned. Also W. R. Irving Jr. as district secretary of the Baton Rouge District in lieu of A. M. Freeman who is leaving the Conference.

We set the dates for our district seminars as Jan. 4-8. Let all district superintendents please take note.

Respectfully submitted,

A. A. COLLINS, Chairman,
F. C. COLLINS, Secretary

BOARD OF TEMPERANCE, Report No. 2

We request that the Statistical Reports published in the Journal of the Louisiana Conference continue to provide a column in which every church's contributions to the Louisiana Moral and Civic Foundation shall be shown.

Bills of legislation in reference to temperance, public morals, and law enforcement, now in course of preparation, will be mailed to every pastor in the state. We request that our Methodist pastors engage laymen to assist them in personal interviews with our State's lawmakers for the purpose of mobilizing support for such bills in the Louisiana Legislature.

We further request all pastors to assist in every way they can in facilitating access by the Louisiana Moral and Civic Foundation to our young people, for the purpose of making effective the work of alcohol education and good citizenship training soon to be launched by the Foundation.

Respectfully submitted,

A. A. COLLINS, Chairman,
F. C. COLLINS, Secretary

REPORT OF THE TOWN AND COUNTRY COMMISSION

The Town and Country Commission, being a comparatively new organization, without specific duties, and practically without funds is still seeking to find the best means of serving the Conference.

During the past year the Commission sponsored a very successful Town and Country Conference at Houma. Over fifty ministers and church workers attended.

Five members of the Commission attended the Town and Country Conference sponsored by the Jurisdictional Town and Country Commission.

These accomplishments are small in themselves, but are a part of the ground work for greater things in the future.

We are convinced that there is a real need for the functions our Commission could fulfill with proper personnel and financial support. Among these needs are:

1. A thorough study of population and church membership shifts within the bounds of the Conference. Without this information our planning for new churches and charge bounds will be on the basis of immediate expediency and in the long run extremely wasteful.

2. Development of a constructive policy of cooperation between town and country churches and the governmental and social agencies operating in the same areas.

3. The establishing of a professor of rural sociology and rural church work at Centenary College to aid in the development of rural leaders for our state and Conference.

4. The establishing of an architectural library and advisory service for building and remodeling rural churches, educational buildings, and parsonages.

5. The organization of Group Ministries and pilot Charges for the better use of leadership and material resources in certain town and country areas.

6. The holding of effective and useful Rural Life Institutes and a Town and Country Conference for the state.

These are some of the needs that call for larger financial support and finally for a full time Secretary of Town and Country Work. More and more Conferences are employing such Secretaries with great benefit to the work of the Kingdom in the countryside.

There are, however, a number of things that can be done in the immediate future. The Discipline states, among other things regarding the Town and Country Commission, that it "shall be advisory to conference agencies, and to the Conference," therefore, we recommend:

1. To the Board of Lay Activities, the training of lay speakers

so that every Methodist Church in Louisiana would have a worship service every Sunday.

2. To the Board of Ministerial Training, the planning of District or area seminars to aid supply pastors with their courses of study and training in various phases of the ministers duties.

3. To the Board of Education, the promotion of as many training schools in rural churches as is possible.

4. To the Board of Evangelism, the recruitment of a number of evangelistic preachers who will offer their services free of charge to rural churches unable to pay for such service.

5. To the Woman's Society of Christian Service, the organization of a Society, however small, in every church in our Conference with special recognition being given to the accomplishments of small Societies.

6. To the Board of Missions and Church Extension, a study of the Group Ministry and Pilot Charge set-ups as a means of more effective use of missionary appropriations.

7. To ministers and members of town and country churches, the fullest cooperation with the Boards in carrying out these recommendations in every local church.

We, the members of the Town and Country Commission, pledge to do all within our power in aiding the above named agencies in carrying out these recommendations.

We further recommend that all rural pastors and churches investigate the possibilities of establishing Lord's Acre projects for spiritual and financial development of the church.

We urge that all town and country churches observe Harvest Day and Rural Life Sunday with appropriate services.

We heartily endorse the Town and Country Church Development Program sponsored through Emory University by the Sears-Roebuck Company and urge rural churches to enter this program.

We commend the Methodist Rural Fellowship for its efforts in behalf of the Town and Country churches and urge our Ministers and laymen to become members of it.

We wish to thank the Board of Managers of the Pastors' School for securing, on our suggestion, Rev. James Sells as a nstructor on the Rural Church during the 1953 School.

We wish to thank all those who have contributed to the development of town and country churches in our Conference. In view of the tremendous contribution the rural church has made to Meth-

odism and will continue to make with proper leadership, we urge the District Superintendents, Pastors, and laymen of our Conference to continue to give wholehearted cooperation to this program.

We recommend the appointment of Rev. John H. Sewell as Secretary of Town and Country Work for the coming year.

ROBERT C. CARTER, Chairman

ELIZABETH THOMPSON, Secretary

REPORT OF COMMISSION ON WORLD PEACE

War is the very antithesis of the Christian Ideal of Brotherhood and love. Hence, Christian people, if they would serve the Redeemer, will strive constantly to remove the causes of conflict and lead men to Christ, the only pathway to Peace.

The causes of War may be found in hunger, insecurity, ignorance, and the unholy efforts of some groups to subjugate and enslave others. Christians, therefore, will earnestly support every effort on the part of every agency whether private, national or international, which seeks to aid all people everywhere to produce adequate food and other basic needs of life, and to dispel the age old forces of fear and ignorance.

There can be no peace as long as there is an Ungodly Power which seeks to enslave the bodies, minds and souls of men. The slave is never at peace; his God-given spirit will constantly struggle with the bonds which bind him. The Christian will not advocate appeasement of the tyrant and will not urge that free men stand defenseless before the massed force of evil. But we must and do believe that in all lands there are those who yearn to follow the Christian precepts of love and brotherhood. We must pray without ceasing that our hearts and minds shall be free of hatred, selfishness, and contempt toward men anywhere in the World, and that God will work the wonders of his love in the hearts of all men, even those who would destroy and enslave their fellowmen.

We urge continued, prayerful support of the United Nations in its efforts to bring about just and harmonious agreement in the place of disagreement and turmoil. May we pray that God in His wisdom will make of that organization a more perfect instrument to accomplish His purposes of Peace among men.

We are greatly encouraged by the sincere, patient efforts of our President to find the way of peace for our people and his humble reliance upon God to lead him and our nation on the paths of righteousness and peace.

WORLD SERVICE AND FINANCE**REPORT No. 1****Recommendations and Endorsements**

1. The Commission on World Service and Finance recommends that it become the established policy of the Conference that all Conference apportionments and grants become payable at the end of each Conference year.

2. The Commission further recommends that the Louisiana Conference establish its fiscal year to be from June 1 to May 31 and that all Conference reports and payments be made in full to the Conference Statistician and Treasurer by May 15 of each Conference year.

3. We recommend that all apportionments be distributed to the several districts on a decimal derived from the following factors:

a. One-third on the basis of membership.

b. One-third on the basis of total non-building giving (i. e., total for all purposes less amounts paid for debts, buildings, and improvements).

c. One-third on the basis of World Service and Conference Benevolences given for the Conference year 1951-'52.

On the basis of this division all Conference and Benevolent claims will be distributed as follows:

Alexandria District—10.77 %	New Orleans District—13.25 %
Baton Rouge District—16.46 %	Ruston District—13.00 %
Lake Charles District—14.02 %	Shreveport District—19.40 %
Monroe District — 13.10 %	

4. In accordance with action at the General Conference, we recommend that the payment of an amount equal to fifty cents per member of each local church be continued for support of Centenary College; and that this amount be placed in the budget of each local church.

5. It is recommended that the Louisiana Annual Conference grant permission to the pastoral charge to pay an amount not to exceed \$900.00 as a "Pastor's Expense Account" providing that the salary set by the Fourth Quarterly Conference be maintained. In no event shall a charge reduce its pastoral salary in order to raise the expense account.

6. It is recommended that all Boards and Commissions receiving funds through the Commission on World Service and Finance, be requested to submit a financial statement at the end of each Conference year, together with plans, programs and askings for the coming year; that these reports and requests be in the hands of the Secretary of World Service and Finance Commission forty-eight hours before the opening date of the Annual Conference.

7. We, your Commission, recommend and endorse the Retired Ministers Home Inc., and commend it to our Methodist people through the state.

8. We, your Commission, endorse the plan of the Planning Committee of the Board of Directors of the Methodist Home Hospital to complete the building requirements of the Home and that the District Apportionments assigned by the Conference in 1952 be continued; namely:

Alexandria District10.55 %	or \$12,343.50
Baton Rouge District15.68 %	or 18,345.60
Lake Charles District15.10 %	or 17,667.00
Monroe District13.82 %	or 16,169.40
New Orleans District14.23 %	or 16,649.10
Ruston District13.00 %	or 15,210.00
Shreveport District17.62 %	or 20,615.40

It is recommended that all unpaid balances on this building fund be paid as soon as possible.

9. We further recommend that the Board of Directors of the Methodist Home Hospital be granted the privilege of presenting the maintenance budget of the Home to each church with a suggested amount to be raised by that church; with the suggestion that said amount be included in the budget of the local church. It is further recommended that Christmas Sunday, December 20, 1953, be designated as Methodist Home Hospital Sunday and that the offering for maintenance be received on that day, unless otherwise planned by the local church.

10. It is recommended that the Louisiana Annual Conference give its continued endorsement to the Louisiana Moral and Civic Foundation and that Dr. W. Earl Hotalen, State Director, be given every moral and financial support and every opportunity to present the claims of the Foundation to our congregations.

Report No. 4

The Commission on World Service and Finance recommend authorization to the Conference Treasurer to pay the Retired Ministers Home, Inc. \$500.00 out of the Contingency Fund.

We recommend that \$250.00 be paid the Commission on Christian Vocations from the Contingency Fund.

REPORT OF COMMISSION ON CHRISTIAN VOCATIONS

We, your COMMISSION ON CHRISTIAN VOCATIONS, the agent of all Conference Boards and Commissions at work in guidance and recruitment, submit the following report:

1. The State-wide Conference on Christian Vocations, held on Centenary College Campus, January 9-11, 1993, had 47 youth delegates, and 15 resource parsons in attendance.

2. We commend the Baton Rouge District leaders upon their District-wide Chr. Career Clinic Vocational Conference held last month for high school students.

3. Your commission believes the District Conference on Christian Vocations is a superior instrument to the State Conference in assisting a larger number of high school students to find their places in the life of the church. We therefore, recommend that each District plan and promote a District Conference on Christian Vocations, and follow through on the same. Since the DISCIPLINE makes no provision for such, we recommend that a District Committee on Christian Vocations be appointed by each District Superintendent early in the Conference year, charged with responsibilities mentioned, and composed of the following persons: the District Superintendent, District Director of Youth Work, District Secretary of Missionary Personnel, the District Youth Representative on the State MYF Council, plus any members of the Conference Commission on Christian Vocations residing within the bounds of the District.

4. We commend those Directors of Wesley Foundation who have a continuous on-the-campus program of Vocational guidance within their Foundation. We believe such programs for college students is the most effective means of helping them think through the implications of the Christian philosophy of vocations, and of clarifying their own vocational goals.

5. We call attention to some of the needs for additional personnel within our Church and its related institutions:

- A. 1200 men are needed annually to be received on Trial in our Annual Conferences in the United States, to fill vacancies occasioned by the death, retirement, location, and the personnel needs for new charges and special appointments within the ministry.
- B. The 193 Methodist Hospitals and Homes, and the 78 institutions under the auspices of the WSCS, employ 22,000 workers annually, 25,000 student nurses are needed each year in Methodist Schools of Nursing. In addition to those technicians, social case workers, dieticians necessary for the operation of these institutions, personnel is needed by our pub-

lishing House, the Goodwill Industries, and our schools and Colleges—persons who will serve with the same sense of commitment expected of the pastor and the missionary.

- C. The Dept. of Missionary Personnel has issued a call to recent college graduates to serve in the following areas and vocations:

25 workers, in the Home Field, as US-2s, or who will give short term service of 3 years in Hawaii, Puerto Rico, Alaska.

30 men for 3 year terms in Latin America, as teachers of Agriculture, English, religious subjects, and in social group work.

20 workers in Southwest Asia.

1 Bookkeeper and teacher in Korea.

1 J-3, a man, who will teach.

Medical Missionaries, Evangelistic Missionaries.

6. Finally, we recommend to each pastor, the Committee on Christian Vocations in the Local Church. This Committee can be of vital assistance to him and the church served, in contacting youth, and keeping up to date the data required by the DISCIPLINE, Paragraph 149.1 in the First Quarterly Conference. This new optional Committee will replace the Missionary Personnel Committee which has been withdrawn by the WSCS.

CONFERENCE RULES

Apportionments. The apportionments shall be apportioned to the several districts of the Conference on a decimal derived from the following factors: (a) One third on the basis of active membership; (b) One third on the basis of total non-building giving (i. e. total for all purposes less amounts paid for debts, buildings, and improvements); and, (c) One third on the basis of World Service and Conference Benevolent giving for the conference year 1950-51. The district apportionments shall be allocated so that no district (or charge) shall receive less than a 10% increase, nor more than a 35% increase.

Church Extension. Each church securing assistance from the Church Extension funds of the Conference Board of Missions shall be required to secure the refunding of the sum donated in the event of the property being alienated from The Methodist Church, by entering and recording a mortgage for the sum donated; provided that this shall not apply to donations of five hundred dollars (\$500.00) or less.

Data or Memoirs. The district superintendent in whose district a member, wife or widow of a preacher dies, shall appoint someone to secure, in advance of Conference, data concerning the deceased. Each member of the Conference is required to furnish the Editor of the Annual a sufficient history of himself.

Fiscal Year. June 1st to May 31st is the Fiscal year for the Conference.

Membership District Conference. The District Conference shall be composed of all parties mentioned in paragraph 667, Discipline 1948, and, in addition thereto, of the following: one lay member from each church in the charge, provided, however, that each charge shall not have less than five (5) elected delegates.

Quadrennial Orphanage Board. A Conference Orphanage Board, composed of one lay member from each district and an equal number of clerical members, shall be elected at the first session following the General Conference, to serve the ensuing quadrennium.

Statistical Reports. Statistical Table I shall be mailed to the Statistical Secretary, and Table II with all remittances for the Conference year shall be mailed to the Conference Treasurer not less than fifteen (15) days before the first day of Conference. The Statistical Secretary and the Treasurer shall notify the District Superintendents of the charges in their District which have not reported, and the District Superintendents will be expected to furnish the delinquent reports in ten days.

Widows. A directory of widows of deceased members shall be published in the Annual. The Secretary of the Board of Conference Claimants shall secure from each widow a statement of her needs, for the information of the Board.

Minimum Salary Fund. No man may now or in any future date, share in the Minimum Salary Fund who does not pay the assessment, unless he can satisfy the Committee that he is unable to pay it.

WILLIAM EDWIN AKIN

William Edwin Akin was born about four miles west of Bernice, Louisiana, in the Weldon community, on January 19, 1870, and died at Sibley, Louisiana, on March 29, 1953. Thus was ended a life of devoted service to God and the church.

At the age of about ten years he joined the old Alabama church. He was a diligent church member and of a serious turn, and while still on the farm where he was raised, he received his call to the ministry. He began to preach and entered the ministry in 1893, serving sixty years.

His first work was near Jonesboro, then near Ringgold, and then to the Summerville-Olla circuit. There he met Miss Beulah Baker, whom he married in 1899. His next appointments were Gibsland circuit, Blairstown, Pineville, and Glenmora. He located the next year, because of meager income and the necessity of an enlarging family need.

However, the next year he came back into the conference, was appointed to Pollock, and never left the ranks of our itinerant ministry again until retirement in 1938. He served the following churches and circuits: Pleasant Hill, Bonita-Jones, Clay Circuit, Kentwood, Baker, Clinton circuit, Jena, Chatham, Sibley, Ida, Greenwood, Standard-Olla, Simsboro, Athens, Pine Grove, and Sibley, where he superannuated, bought a home and lived until his death.

Brother Akin had a happy personality, a cheerful disposition, a radiant smile. He loved God supremely and was one of God's true ministers. Giving most of his ministry in the rural church, he en-

riched many lives by his convictions of faith and righteousness. His work lives on in these lives, and in his family. He has claimed the eternal promises of the Heavenly Father he served so faithfully. We will meet him again in the home above.

PHILIP PALLOTTA

Philip Pallotta was born in Bisente, Province D. Terano, Italy on September 15th, 1892 and died in New Orleans, Louisiana, May 11th, 1953. In 1908 he came to this country and located in Chicago. Somewhere along the way in these earlier years he committed his life to Christ and heard the call to become a witness of the Lord Jesus. He attended The Moody Bible Institute and while there he met Miss Rose Billoti, a deaconess of the Methodist Episcopal Church. On Nov. 20th, 1919 they were married at her home back in Iowa. To this union four children were born: a son who died in infancy; twins, of whom one also died in infancy, leaving the daughter Miriam; and later another daughter, Priscilla. These two with their mother survive.

Brother Pallotta was ordained a Deacon in the West Wisconsin Annual Conference by Bishop Wilbur Thirkield, Sept. 11th, 1927. Shortly thereafter he transferred to Louisiana and stationed at The Church of The Redeemer in New Orleans, which church he served continuously along with other churches till the time of his death.

His was a life fully consecrated to his Lord. He was literally "on fire for God." Day or night, in season or out of season he was ready to witness to the saving power of Christ. Brother Pallotta loved men. His genial disposition and winning smile made everyone his friend. Death marked no hesitation in the onwardness of his soul. He looked for a city with foundations, whose maker and builder was God. He entered that city early Monday morning, May 11th, and was buried next day from the Church of The Redeemer, services conducted by Dr. Virgil Morris, Dist. Supt., assisted by the writer. His remains were laid to rest in Beautiful Garden of Memories in New Orleans. Of Philip Pallotta we may confidently say what was said of Barnabas: "For he was a good man, full of the Holy Ghost and of faith; and much people was added unto the Lord."

N. H. MELBERT

C. B. POWELL

C. B. Powell was born August 1, 1873 at Brandon, Mississippi. His years as a boy and young man were spent on neighboring farms where he went to school and paid for his room and board by doing odd jobs around the place. His father had died when he was eight years of age and his mother when he was ten. He was

married on October 2, 1902, to Lena Belle Socia at Hatcher, Louisiana. He is survived by his widow and five children: Mrs. F. E. Hodges, Mrs. A. D. White, Mrs. W. D. Giles, Mrs. F. D. McCarthy, and N. B. Powell.

Reverend C. B. Powell served thirty-two years as an active itinerant preacher. He joined the Louisiana Conference in the early 1900's. In 1907 he was ordained Elder and served in Louisiana until 1920, when he transferred to the Arkansas Conference. He came back to the Louisiana Conference in 1927, where he remained for the rest of his active ministry.

He was inactive during his last years because of poor health, but he was always happy to preach when called on. In November 1944, he retired and went to live with one of his daughters at Paradise, Louisiana, where he remained until his death on March 31, 1953.

He served the following charges in the Louisiana Conference: Wesley, Campti, Pollock, Melville, Clinton, Plain Dealing, Bienville, Indian Bayou, Florien, Melder, Marksville, Boyce, and Golden Meadow.

Brother Powell was beloved by the people to whom he ministered. He was always interested in the welfare of the people he served. He loved the Methodist Church and its ministry.

He was a Master Mason with his membership in the Melville, Louisiana Lodge. Following a Masonic funeral he was laid to rest in a Masonic Cemetery in New Orleans on April 1, 1953.

ROSS ALAN PICKETT

L. W. SMART

Rev. L. W. Smart was born October 16, 1892 at Hood's Mill, Louisiana. He was reared and educated in Jackson Parish. On December 23, 1914 he was married to Miss Winnie Hearn. To this union was born one son, Cedric. For 16 years he gave himself to the vocation of teaching in the elementary and high schools of the State. He began his ministry in the Methodist Protestant Church and was ordained an Elder in 1915. He left the Methodist Protestant Church to become a member of the Methodist Episcopal Church South and in 1918 was admitted into full connection with the Louisiana Conference.

After serving in active service for 26 years Brother Smart was superannuated because of ill health while serving the Lisbon Church.

After his retirement he and his wife lived in Bossier City, La. In 1943 he entered the work again, even though superannuated, and organized the Caddo Heights Methodist Church where he remained pastor for three years. Finding this work a little too hard, Brother

Smart retired again to do only part time work in the business world.

During the past five years he has taught the Everyman's Bible Class of Mangum Memorial Methodist Church and in June of 1952 was appointed associate pastor of this Church. During his associate pastorate Brother Smart endeared himself to the entire congregation. He was loved and appreciated by the Bible Class and is greatly missed by the men who were so devoted to him and who received so much from his lesson from Sunday to Sunday.

All were deeply shocked the afternoon of October 31, 1952 when we learned that Brother Smart had suffered a severe heart attack in his home about 2:00 o'clock. He was taken to the Physicians and Surgeons Hospital where he was given every aid that medical science knows to bring him healing. However, this was his appointment with His Lord and God took him to his eternal reward at around 5:00 o'clock on Sunday afternoon, November 2, 1952. His funeral was held at Mangum Memorial Methodist Church at 2:00 o'clock, Tuesday afternoon, November 4, with the Rev. A. W. Townsend, Jr., Pastor of Mangum Memorial, in charge and the following Methodist Ministers assisting: Dr. Guy M. Hicks, Dr. B. C. Taylor, Rev. W. R. Wendt, and Rev. J. B. Grambling. The interment was held at Forrest Park Cemetery, Shreveport, Louisiana.

Brother Smart is survived by his widow, Mrs. Winnie Smart; a son, Cedric Smart, both of Bossier City, La.; two sisters, Miss Effie Smart and Mrs. L. S. King, both of Jonesboro, La.; a brother, John T. Smart, of Jonesboro.

Brother Smart also held Pastorates at the following Churches: Clay, Fairbanks, Water Proof, Pelican, Bossier City, Belcher, Gilliam, Pioneer and Chatham.

Someone has said, "If I were God, the sins of this lost world would break my heart." E. Stanley Jones answered, "God's heart did break yonder on Calvary's cross." The great Peter Marshall, carrying the load of his great church in Washington, our nation's capital, found that the sins of the world were still breaking the hearts of men and his great heart also broke under the strain of lifting a fallen world up to God. L. W. Smart was lifting the world and the people that he loved up to God when his heart broke under the strain. But, like Saint Paul, his whole life testifies, "I have fought a good fight, I have finished my course, I have kept the faith. Henceforth there is prepared for me a crown of righteousness which the Lord the righteous Judge shall give me in that day and not to me only, but, to all of them also that love His appearing."

MRS. W. H. JORDAN

On February 11, 1953, Mrs. W. H. Jordan was called home.

At mid-year 1917, Mrs. Jordan, came to the Louisiana Conference with her husband from the St. Louis Conference, where they had served a number of years. Upon coming to Louisiana they were stationed at the Arcadia charge where they remained until the conference in the fall of 1920.

Mrs. Jordan was such a lovely character, exemplifying the Christian qualities of concern and love for people, understanding their needs and unselfishly giving herself in service and in leading the way in many fields of activity, that their ministry was of unusually high quality. Both she and her husband knew so well how to ingratiate themselves into the lives of their people, that love for them was determined, not by the limits of their congregation but by the contacts they made among people of all faiths.

After leaving Arcadia they served well a number of other places in the conference until 1929 when Brother Jordan passed away while serving the First Methodist Church in Crowley.

Since the passing of her husband, Mrs. Jordan was among the beloved parsonage widows of our conference. Her Christian counsel and words of wisdom were always sought by her friends who felt the steadying hand of a loyal friend. This, together with the other excellent qualities of her life contributed immeasurably to the success of their ministry.

Mrs. Jordan passed to her reward while visiting her daughter, Mrs. Bessie Wiggs of Chattanooga, Tennessee. Besides Mrs. Wiggs she left another daughter, Mrs. Ottice Swanson of Baton Rouge, Louisiana.

Eternity alone can measure the great good this Christian wife, mother and wise counselor has done. Though she no longer walks with us, she lives on in the memories of her many friends and loved ones to bless and encourage them.

MRS. E. M. MOUSER

Mrs. Hattie Jackson Mouser, wife of Rev. E. M. Mouser, retired member of the Louisiana Methodist Conference, passed to her reward on July 23, 1952. Her funeral was held in the Grayson Methodist Church on July 24 with the following ministers officiating: Rev. S. P. Emanuel, Rev. W. H. Giles, Rev. Sam Holladay, and Rev. H. L. Johns. Interment was in the Welcome Home Cemetery at Grayson.

Mrs. Mouser was born at Shongaloo, Louisiana, Webster Parish, on June 30, 1882. Her parents were Rev. and Mrs. Matthew C. Jackson.

On May 9, 1902, Hattie Jackson was united in marriage to Rev. E. M. Mouser. To their union were born six children, three sons and three daughters: Judge V. M. Mouser of Columbia, La., C. M. Mouser of Washington, D. C., Rev. Roy Mouser, pastor of the Cedar Grove Methodist Church of Shreveport, La., Mrs. Floyd Johnston of Grayson, La., Mrs. J. J. Joyce Jr. of Monroe, La., and Mrs. W. C. Stallcup of Shreveport, La. Survivors also include six granddaughters and six grandsons.

Mrs. Mouser possessed a great faith and lived abundantly. She never grew old; she never lost her zest for life. She adorned the parsonage with a warm, loving, and radiant personality. Her consecrated life, her devotion to her husband and to their children and her love for the Church fitted her so well into the pattern of a minister's wife. She was constantly strengthening and inspiring her husband, who gave forty-two years of active service to the Church. Her outstanding characteristic in the rearing of her children was one of selfless, sacrificial love. Her magnificent spirit is best expressed in the Christian character of her children. All of them are active in the Church today.

She had the honor of being the daughter, wife and mother of Methodist ministers.

Our memories of her beautiful Christian life will ever inspire and encourage us. Our lives are richer for her having lived among us.

Today the beautiful spirit of Hattie Jackson Mouser belongs among the living in the Eternal family of God.

True heart and wise, that with Love's key
Didst open all life's mystery
And buy life's treasure at a price
Of Love's perpetual sacrifice!

The peace that Love finds hid in care;
The strength that love-bourne burdens bear;
Serenely facing life and death!

The blessing that in blessing lies—
These didst thou know, true heart and wise!
Now God hath added, last and best,
The sudden glad surprise of rest!

REV. S. P. EMANUEL

MRS. RUSSELL T. PYNES

Mrs. Russell T. Pynes was born February 6, 1880 in Winsboro, Texas, and passed away on her birthday at the age of 73, in Victoria, Texas. Burial services were held in the Methodist Church in Deadwood, Texas and conducted by the writer, assisted by Rev. S. A. Seegers and Rev. Wilson Wieting.

Mrs. Pynes married Rev. Russell T. Pynes in April of 1900. She truly supplemented the devoted ministry of her illustrious husband, who preceded her in death by two and a half years.

She was a good shepherdess. Her home was a haven for the weary and troubled. And just as often, her home was the scene of the joyful companionship of ministers. Many times she stated that the happiest times in her home were the gatherings of ministers.

Mrs. Pynes, in her modest way, once said that she hoped at her funeral the words of the Master could be spoken of her, "She hath done what she could." These words were spoken of her, for the words significantly characterized her devoted life.

She is survived by three daughters: Mrs. Everett Verret of Franklin, Louisiana; Mrs. C. C. Alexander of China, Texas; Mrs. Robert Holzapfel of Victoria, Texas.

Her faith in God, her sympathy toward others, and her kind and helpful ways, inspired many people who had the high privilege of knowing her.

EDWARD R. HAUG

MRS. A. M. SHAW

Mrs. Oregon Shaw was born in Arkansas on October 23, 1874. She spent most of her mature years in Louisiana. She was a long time resident of Oakdale, having come in 1921 with her husband Rev. A. M. Shaw for a ministry of 4 years. After Bro. Shaw retired they came back to Oakdale to live. They have endeared themselves to this community through years of unselfish service. She was beloved by all who knew her and was a consecrated, tireless, worker. She never sought the places of leadership or honor, but in humility she worked in the background.

Much of her later years were spent in intense suffering. Although she knew how to suffer bravely and although she was called upon to suffer so much, still she never complained. She bore her Crosses bravely and with a smile. She was an inspiration to all who knew her and a living witness to the power of God. She was an

ideal wife and mother. She was respected and loved by her children. She has been greatly missed, but rich will be her reward.

She chose to be buried in Oakdale as she considered this her home. This poem typified her faith:

FIDENTIA

Whence came my soul,
The essential me
I cannot know,
But this I see
That whence I came,
Thence I must go.

I had no fear,
I felt no pain
When here I came
And when I go
O Soul, this I know
No fear nor pain
Shall with thee go.

If father's hand
Did bring thee there
If life has grown from less to more
Then life, more life,
Is still in store.
